## ZERO METEOR SHOWER

**Cosmic vistas inspire the new ZERO: Meteor Shower – a special, small-batch release to dazzle the eye and ignite the soul. Streaks of incandescent colours signal restless energy and a welcome escape from the strait-laced norms of pen design.**

Modern and muscular, Montegrappa's ZERO silhouette resets the rules of pen styling. Its fusion of precision engineering and sartorial pedigree signals a new generation of writing instruments.

Bold proportions and refined finishing showcase Montegrappite artisanal resin at its stellar best. Its complex textures are blended by hand, ensuring no two pens are exactly alike.

Hardware crafted from high-spec, Br8 bronze alloy is hypoallergenic and exceptionally hard. On this sturdy, high-value base, ultra-black ruthenium coatings offer high integrity and resilience.

The ZERO: Meteor Shower innovates Montegrappa's newest Signature silhouette. ZERO fuses modernist Italian thinking, confident geometric lines and mechanical refinement.

Montegrappite artisanal resin is made locally using a proprietary process and formula. Small-batch production ensures less wastage and new recycled blends.

Crisp pocket presence is provided by a chamfered clip machined from solid brass. Stress-tested to withstand 20,000 actions, each carries Montegrappa's famous script logo and Sphero nub.

Fountain pens are converter/cartridge-fed, with a 14K gold nib, and made in a limited batch of 300 pieces. Rollerball and slimline ballpoint options are available in editions of 100 pieces.
