# INSIDE THE EDITION

Designed and crafted to celebrate 60 years of James Bond films, specifications for the 007 Szymaster Duo are suitably impeccable.

Concealed in a 'false' upper barrel, a set of 007 cufflinks can be accessed via a special locking mechanism and dummy blind cap.

A revolutionary Swift-Shot mechanism turns fountain pen refilling into a ritual. Brass ink capsules use Power-Push hydraulic action and a custom-built reloading pipette.
